# Suggested Mailing Practices

## Preparing Messenger Envelopes

Use U.S. Government Messenger Envelopes (SF 65-B) to transmit mail within USDA agencies. Mail to NFC, New Orleans, LA can also be sent in messenger envelopes.

When using U.S. Government Messenger Envelopes:

- (1) Completely strike out the previous address. In the next spaces, clearly write the complete address (Name/Title, Agency, Room number and building) of the intended addressee.
- (2) Limit the address to one space.
- (3) Do not overstuff the messenger envelope, and
- (4) Make sure the messenger envelope is securely tied.

## National Finance Center Express Mail Pouch/Next Day Delivery

The Central Mail Unit (CMU) provides daily express mail service to NFC. This service is available to all USDA employees in the Washington area at no extra cost! Use of this service saves at least .21 cents for each letter addressed to NFC and it will get there "NEXT DAY"!

Here is all you need to do to use this service:

- Use NFC preprinted green bordered envelopes when available; however, any envelope is acceptable, but must be addressed to the appropriate NFC office and clearly marked "NFC POUCH" in the upper right hand corner of the envelope.
- Deposit in your office outgoing mail for pickup, take directly to the Accountable Mail Unit, Room 0409-South Building or deposit in drop boxes. One drop box is located in the Administration Building adjacent to the guard desk at the Independence Avenue entrance. The other is located in the South Building near the main guard desk, Wing 4, Independence Avenue entrance.

## Change of Address

Departmental agency users are responsible for promptly notifying their correspondents when there are changes in address, agency organizations or officials. This will assist in preventing unnecessary

delays in the delivery of mail. Incoming mail bearing an incomplete or inaccurate address will be delayed and may also be returned to the sender. Change of address forms may be obtained from your mailroom.

## Do not use Government envelopes or services for personal mail

For further information and assistance in mailing, please contact your mailroom.

# Suggested Mailing Practices

7

The Department of Agriculture is the fifth largest mail user within the Federal Government. Last year's postage costs for USDA was \$51 million.

It is important that USDA employees follow proven mailing practices to ensure all mail sent to and from the Department reach its destination without delay. Among these important practices are:

—Reduce use of flats (envelopes larger than 6 1/8" x 11 1/2"). Save postage by folding up to 5 sheets of paper in letter size envelopes.

- Reduce costs by printing on both sides of paper.
- Save by consolidating items for one address into a single envelope.
- Endorse all flats and packages with class of mail.
- Update mailing lists at least annually.
- Use postcards whenever possible.
- Single space the address.
- Use ZIP +4, when known. (Always use 5 digit ZIP Code.)

- For international mail, place the country name on the last line of the address in all CAPS.
- Include a complete return address on all outgoing correspondence.
- Notify your correspondents and the Central Mail Unit of changes in USDA addresses and personnel.

Have a mailing question? Call the Central Mail Unit on 720-7088. Ask the Office of Operations, Mail and Reproduction Management Division (telephone 720-8393) to help in training or workshops.

## Preparing Outside Correspondence

Use the right size envelopes and endorse all large, bulky pieces with the class of mail service desired. Generally five pieces of paper will fit into a letter-size envelope (4 1/4" x 9 1/2").

To expedite delivery make sure that your outgoing mail contains the following:

- (1) The complete return address of the originator (Name, Agency and Building address). This information will eliminate time consuming processing of returned USDA-originated mail.
- (2) After the ZIP code, include agency's unique 4-digit code.

- (3) The full address of the addressee, including the ZIP Code. (No more than 5 lines - brief but concise, assures expedited delivery.)

For example:

- Name of Individual or Organization
- Organizational Element (if necessary)
- Street Address or P.O. Box Number
- City, State and ZIP Code

General Dialing Instructions

Use of Government Provided Telephone Services for Other than Official Business is Prohibited by Law and Could Result in an Employee’s Suspension or Dismissal (31 U.S.C. 680).

Many USDA locations in the Washington metropolitan area have converted to the General Services Administration’s Washington Interagency Telecommunications System (WITS), since the last printing of the USDA Telephone Directory. The WITS network is expected to serve approximately 135,000 Federal Government lines in the Washington metropolitan area. To date, USDA offices have "cutover" to WITS service at the locations listed below. For further information regarding USDA building locations and abbreviations, please see page 120 of this Directory.

USDA Location	WITS Exchange
Annex and Auditors Buildings	205-XXXX
1301 New York Ave, NW	219-XXXX
Park Office Center	305-XXXX
901 "D" Street, SW	401-XXXX
Beltsville Agricultural Research Center	504-XXXX
Administration and South Buildings	690-XXXX and 720-XXXX

Local Calls

- Calls to USDA and Other Federal Government Agencies
- Calls placed from one WITS number to another can be made by simply dialing the 7-digit WITS number, regardless of area code. If, however, the call cannot be placed in this manner, then:
- Dial "9" + the 7-digit number to reach a number in the same local jurisdiction (i.e., Washington, DC, to Washington, DC; Virginia to Virginia, or Maryland to Maryland), or
  - Dial "9" + Area Code + the 7-digit number to reach a number in a different local jurisdiction.
  - The area codes for local jurisdictions in the Metropolitan Washington, DC, area are:

Washington, DC

Maryland

Virginia

— Area Code 202

— Area Code 301

— Area Code 703
- Calls to Non-Government Telephones
- Dial "9" plus the 7-digit number if calling within the same local jurisdiction.
- Dial "9" + the area code + the 7-digit number if calling between local jurisdictions.
- See above for area codes for local jurisdictions.

Long Distance Calls

- The Federal Telecommunications System (FTS2000) is the government long distance network through which you should make all official long distance calls in the United States. FTS2000 charges are based on the length of calls. To help reduce telephone costs, users should be "time conscious" when making calls.
- Calls to Government FTS Telephones.
- Dial 8 + the area code + the 7 digit commercial number being called.
- Where there is no commercial number, dial 8 + 700 + the party’s old FTS number.
- Calls to Non-Government Telephones.
- Dial "8", the area code, and the 7-digit number being called. If the commercial number is not known, dial "8" plus the area code you wish to reach and 555-1212 for free information.
- Calls to Alaska, Hawaii, Puerto Rico and Virgin Islands
- FTS2000 service is available to and from Alaska, Hawaii, Puerto Rico, and the Virgin Islands in the same manner as all other FTS2000 calls.

International Calls

- International calling is available from selected telephones for employees who have obtained approval from an authorized agency official.
- Toll-Free Calls**
- Calls placed to toll-free (800) numbers should be placed by dialing "9" + "1" + "800" + the 7-digit number. Do not use FTS when placing "1-800" calls.
- 900 Calls**
- "1-900" calls are not toll-free calls and should not be placed at government expense.

Directory Assistance

- USDA Numbers 720-USDA
- Local Commercial Numbers 9 + 411
- Long Distance Commercial 8 + 1 + Area Code + 555-1212
- FTS2000 Operator 8 + 700 + 288-1212
